Keystone Fence... Building a Better Fence for more than 110 Years

RedBrand Keepsafe Equestrian Fence

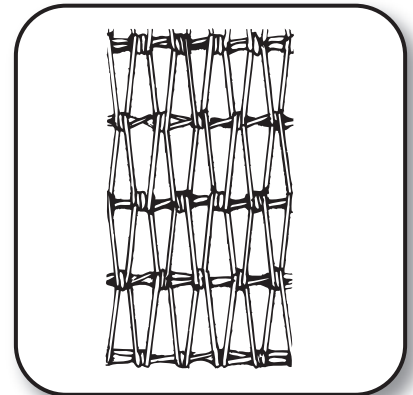

The classic choice for professional stud farm fencing.

- The number one choice for equestrian fencing
- Very close wire spacing
- Based on 50mm x 100mm (2" x 4") diamond mesh construction
- Strength and protection to the horse
- Heavy twisted horizontal cables
- Smooth and springy to protect delicate coats
- Close spacing protects against hooves and legs being caught

Keepsafe® equestrian fence has a durable and protective diamond weave featuring heavy, twisted horizontal cables, each cable consisting of two wires on 100mm (4") spacing from ground to top. Vertical wires, securely wrapped around each horizontal cable, run diagonally to make a diamond pattern, forming the strongest and safest fence construction available today.

Keepsafe® fencing for horses gives you the best protection money can buy; the number one choice for the professional owner.
